...mit einem Skribbel fängt alles an. Von der ersten Idee bis zur finalen Umsetzung führt ein schneller lockerer Strich schneller zum Ziel, als viel Gerede. Diese wahnsinnige Zeitersparnis biete ich an. Von der schnellen Storyboard-illustration zur colorierten Visualisierung, von live Power Point Zeichnungen für die Präsentation bis zum detaillierten Wimmelbild, von der einfachen Karikatur bis zur lustigen Weihnachtskarte.

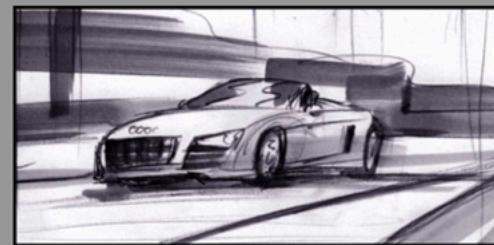

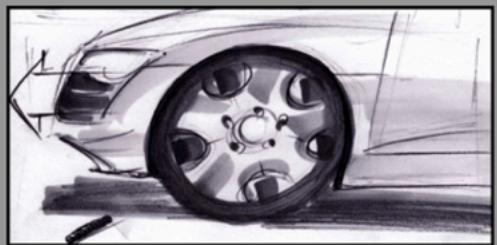

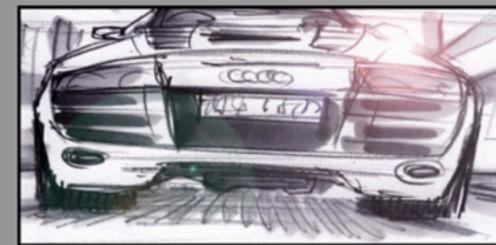

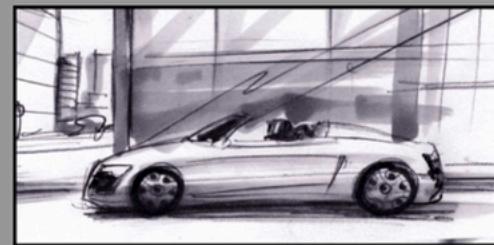

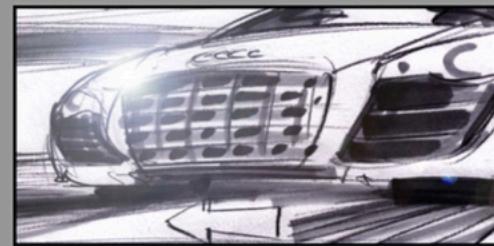

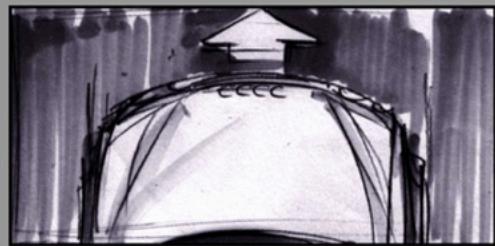

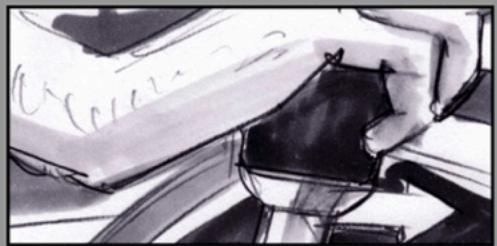

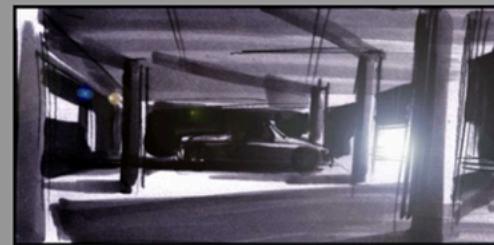

Ich verfüge über 25 Jahre Berufserfahrung und bin flexibel bei der Buchung und spontan in der Umsetzung.

In diesem Portfolio zeige ich einen kleinen Überblick über die Bandbreite meiner Arbeiten. Auf meinert neuen Homepage www.skribbelz.de gibt es noch mehr Beispiele.
Ich bin gespannt auf Deine Meinung.

Sometimes its easier to sell your idea using a rough scribble than by word. I offer live Skype sketching, english speaking, animation, GIF, simple Video edits, Film consultation, Photoshop, clay sculpturing, costume and production design. I am spontaneous and results are delivered quickly.
